## **We need your help!**

The Board of Trustees is very grateful for your support over the years. We feel the time is right to embark on a major fund raising campaign that will create more memories for our youth and family campers as we enter our 2nd century.

## **Our goal ... raise \$1,000,000 over the next 3 years.**

This fund will be used to develop activities and programs that will fulfill our Christian mission and grow our Youth and Family Camps.

We are blessed to have 100 acres of lakefront property and 34 buildings that are well designed and built by the early staff and volunteers of DCC. Funds raised will help us maintain and enhance our grounds and facilities.

We hope you will join the Board and the 2nd Century committee who have already made commitments to the future of DCC.

**We cannot reach our \$1,000,000 goal without YOUR support!**
