

NEW IN 2024 – REGISTERING FOR CAMP

DCC is using NEW software for registrations beginning in 2024.

It is a different look, but most of how you register for camp is the same. You will, however, need to create a new account.

To begin, click on the “Register for Camp” button. This will take you to the beginning of the application where you will create your account, add campers, camps, make payments and complete any online fillable camp forms.

Be patient. It sometimes takes a minute for the next page to update and load, especially if you are adding multiple camps, but it will load.

***Please Note – FAMILY CAMPS – The person who creates the account is the “Account Contact” and will also have to add their information as a camper to be counted. Also, the Adult Medical Form is now part of your registration, so you won’t have to fill out a separate form. When you add an adult camper to your family you will need to click on the Grade drop down, scroll to the bottom and choose Adult ***

PAYMENTS & DISCOUNTS:

Referral discounts will be added by admin staff after the person referred registers for camp.

If you are a **First Time Camper** (someone who has never attended any DCC camp) and are registering for a **week-long overnight camp**, you are eligible for a \$100 FTC discount. To receive this discount, check yes for First-Tiem camper and then a box will appear to add the code, **FTC**.

CONFIRMATION EMAIL:

You will receive a confirmation email once you complete your registration. Included in this email will be links to download your **Physician’s Medical Form** (Youth Camps Only), your **Director Letter & Packing List**, and the **DSS Assistance Form** (Day Campers Only).

ADDING A CAMP AFTER YOUR INITIAL REGISTRATION:

On your DASHBOARD, scroll to “Camper Profile” and click on “Add Camps/Events” next to the camper you are adding a camp for. Choose your camp and follow prompts.

CHECKOUT:

To make a partial payment, you can change the amount in the checkout box or you can select “**Skip this step**” if you are planning to pay by check.

You will need to make a payment for each camper registered or pay in full.
