

Hello,

We are delighted you have chosen to attend Friends and Family Camp I this summer. If you are brand new to Friends and Family Camp 1, an informational packet will be emailed to you mid- May, which will contain a packing list that hopefully answers many of your other questions. A letter will be emailed to all campers two weeks before camp with last minute updates and details.

*Please note that Adults need to fill out the Adult Medical form which is a fillable form on the website under the forms tab. If you have a lot of medications, you can just put “see attached list” and bring the list with you to camp. Children do not need a completed form since they will be with an adult. This needs to be filled out before you come to camp.*

If you have specific cabin and/or table requests, please know that we don't begin to work on those arrangements until June. Just let Mary know your preferences if you didn't mark it on your registration. We try to accommodate everyone's requests.

We relish connecting and being with you at one of our favorite places. Whether you're a first-timer or a returning camper, we can't wait to share this special time with you. Please feel free to invite others to join us. If you have any questions or suggestions or if you or someone else you know needs financial assistance, please email Mary at [jklong6262@cs.com](mailto:jklong6262@cs.com) or text her at 614-309-2190.

Blessings,

Dave, Beth, Mary, Shirley and Becky
