

Dear Parents/ Guardians and Kiddos!

Welcome to Junior High 2026! This summer camp season is going to be filled with new games, topics, themes, and events. Starting with a pair of new directors, and a time change for our week at camp. Camp will be held from August 10 - August 16th.

While we are still working on planning the week's events, we hope that the school year season is going well for all of you. Jackson and I will be sending more "event related" information closer to camp. For now, here is a packing list of the basic needs for our 2026 camping season.

Sending you loves of love!

-Kathleen (Kat), Phoenix and Jackson
